Reopening of Secondary Schools

Following last month's announcement about the reopening of higher education centres, we're delighted to let you know that on 8th February secondary schools also opened their doors for the first time since the beginning of the pandemic!

Futuraula Speaks

From Barcelona:
'We can't believe the second month of 2021 is already over. February was the month of love and workshops. We all came together and enjoyed the online activities whilst gathering money to achieve our yearly goal: **sponsoring access to higher education for 6 girls from Vedanthangal**.

For Valentine's Day we shared the love and we worked hard preparing for our next idea: a challenge!'

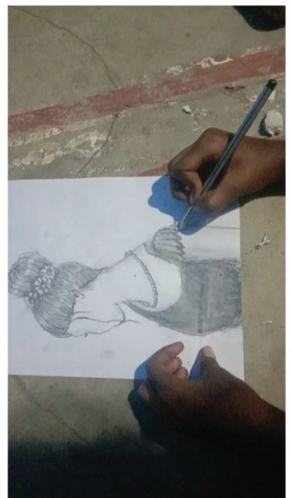
Art by Henishka

Today we're proud to bring to you Henishka's art. Henishka is an incredibly creative student from Vinayaganallur, Vedanthangal.


Her drawings are inspired by Indian celebrations and Tamil movies. Women in particular are depicted in great detail and colourful outfits.
