We are looking for...

Indian Futures is a grassroots charity run solely by volunteers.

95% of our funds go to the places they need to go, that is our projects in India.

This is what we are committed to deliver, and we wouldn't be able to do it without your help and the help of other amazing souls like you.

This year, we have very exciting projects ahead which is why we need to increase our monthly donors' list. If you want to be part of the Indian Futures' journey and make a real difference to our communities, please visit us at indianfutures.org and click on the donate button!

Coming up soon

We are honoured and excited to announce our next fundraiser event!

Insights & Interludes is a show of creativity in all its forms; music, poetry, painting...

We'll be at Manor Road Gym (Brighton) on 2nd April at 5pm. Donations will be gratefully received.

To book your place, email us at indianfuturesfundraising@gmail.com.

Barcelona News

From Futuraula (University School of Tourism)

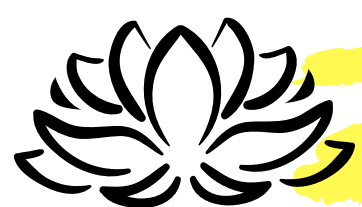

'We are delighted with the new member that has joined us this month: Deepan Jyot, from India. She found out about us last year while in India after meeting one of the girls sponsored by Indian Futures, and now she is volunteering with us. "It's been a pleasure working with Futuraula as a new member. Finally, I found a purpose to stay in Barcelona", she says.

We also want to mention our progress on the organisation of our next event, our Futuraula Khels. If you want to know what it's about, don't miss Indian Futures' next newsletter!

News from India

Vedanthangal Nursery School

Great news!

This week, after nearly two years of pandemic and several recovery attempts, the nursery school of Vedanthangal has finally reopened!

There's still a lot of work to do and, unfortunately, the parents are still very fearful.

But Indian Futures doesn't give up! We will continue to support our communities at any cost, with the aim to provide rural India with quality education.
