## Our Values - PART 2

### Diversity & Inclusion

We value and thrive in the cultural, ethnic and religious diversity of our communities. We encourage and celebrate this diversity as it provides a constant source of enrichment and learning.

We place particular focus on groups at risk of exclusion and ensure they develop their confidence and voice within their own communities.

### Sponsorship Campaign

Our sponsorship campaign helps to fund the university fees and transport of 14 female students in Vedanthangal.

You could be part of helping to bridge the gender gap in rural India.

If you'd like to become a sponsor, email us at:
